Dear Bob,

On behalf of the children of Brandywine School District I want to thank you for the two generous New Castle County grants of \$2,500 each you sponsored, one for the Brandywine High School Band Booster Association and one for the Brandywine High School Leader Corps.

I know you appreciate how much good can, and will, come from this support for Brandywine High School students.

Your interest in and support of our students is greatly appreciated.

Sincerely,

James R. Scanlon
