**RE: Sewer Capacity Request  
Greenville Center  
Application #2008-0272-S  
TP# 07-026.00-094**

Dear Mr. Davies:

In response to the above-referenced request, capacity in the requested amount of 1,910 gallons per day is presently available. However, please be advised that the available capacity is reserved on a first-come-first-served basis and that capacity can only be reserved by execution of a sewer agreement at the record plan stage of the development. See 38 N.C.C.C. § 38.02.002(c).

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact David Thurman at 395-5752.

Sincerely,

Jason P. Zern, P.E.  
Operations Engineer
